Clean Water Act, 2006

Amendments initiated by source protection authority

34 (1) A source protection authority may propose amendments to a source protection plan in the circumstances prescribed by the regulations. 2006, c. 22, s. 34 (1).

Copies of proposed amendments for municipalities

(2) The source protection authority shall give a copy of the proposed amendments to the clerk of each municipality in which any part of the source protection area is located, if the municipality is affected by the amendments. 2006, c. 22, s. 34 (2).

Resolutions of municipal councils

(3) If the council of every municipality whose clerk was given a copy of the proposed amendments passes a resolution endorsing the amendments, or if the amendments only affect unorganized territory, the source protection authority shall,

(a) publish the proposed amendments in accordance with the regulations;

(b) give notice of the proposed amendments in accordance with the regulations to the persons prescribed by the regulations, together with information on how copies of the amendments may be obtained and an invitation to submit written comments on the amendments to the source protection authority within the time period prescribed by the regulations; and

(c) publish notice of the proposed amendments in accordance with the regulations, together with information on how members of the public may obtain copies of the amendments and an invitation to the public to submit written comments on the amendments to the source protection authority

within the time period prescribed by the regulations. 2006, c. 22, s. 34 (3).

Submission of amendments to Minister

(4) The source protection authority shall submit the proposed amendments to the Minister, together with the resolutions passed by the municipal councils and any written comments received by the source protection authority after publication of the amendments under subsection (3). 2006, c. 22, s. 34 (4).

Application of ss. 27-32

(5) Sections 27 to 32 apply, with necessary modifications, to proposed amendments submitted to the Minister under subsection (4). 2006, c. 22, s. 34 (5).

ONTARIO REGULATION 287/07

Typographical and other changes

51. (1) Subsections 34 (2) to (5) and 35 (4) to (8) of the Act and section 50 of this Regulation do not apply to the following amendments to a source protection plan:

1. An amendment that is made to correct a clerical, grammatical or typographical error.
2. An amendment that is made to alter the style or presentation of text or graphics in order to improve electronic or print presentation.
3. If the source protection plan contains a provision that is contingent on the occurrence of a future event and the event occurs, an amendment that is made to remove the text referring to the contingency and to make any related changes.
4. An amendment that is made to change references to a name, title, location or address if the name, title, location or address of a body, office, person, place or thing has changed.
5. An amendment that is made to correct errors in the numbering of provisions of the source protection plan and any related changes in cross-references.
6. An amendment that is made to correct errors, if it is patent that an error has been made and what the correction should be.
7. An amendment to update the assessment report portion of the source protection plan to reflect the results of a risk assessment accepted under subsection 60 (2) of the Act.
8. An amendment that is made to a source protection plan to account for the discontinuation of the use of a well or surface water intake related to a drinking water system that is referred to in the source protection plan.
9. An amendment that is made to a source protection plan to account for a change in the terminology used in the Tables of Drinking Water Threats. O. Reg. 246/10, s. 12; O. Reg. 206/18, s. 5 (1).

(2) If an amendment described in subsection (1) is made, the source protection authority shall,

- (a) publish the amended source protection plan and a notice describing the amendment on the Internet as soon as reasonably possible after the amendment is made; and

(b) give a copy of the notice referred to in clause (a) to the Director and to every person or body responsible for implementing a policy that is affected by the amendment. O. Reg. 206/18, s. 5 (2).

(3) Sections 21, 29, 30 and subsection 34 (5) apply, with necessary modifications, to an amendment to a source protection plan under subsection (1) of this section. O. Reg. 206/18, s. 5 (2).

(4) In this section,

“Tables of Drinking Water Threats” means the document published by and available from the Ministry entitled “Tables of Drinking Water Threats: *Clean Water Act, 2006*” and dated November 20, 2008, as amended from time to time. O. Reg. 206/18, s. 5 (2).
