
RFP ADDENDUM #1

Date of Addendum: August 09, 2021

NOTICE TO ALL POTENTIAL RESPONDENTS

The Request for Proposals (RFP) is modified as set forth in this Addendum. The original RFP Documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the RFP. Respondent shall take this Addendum into consideration when preparing and submitting its Proposal.

PROPOSAL SUBMITTAL DEADLINE

The proposal submittal deadline has been changed as noted herein, and modifies the deadline stated in the RFP. The new proposal submittal deadline is 4:00 pm on August 20, 2021, and selected firm chosen by August 24, 2021.

1.0 – RFP		
Item	Section	Description of Change
1.2	Introduction	Addition of following paragraph: The classification of Dam as “Very High” should be considered as classified by The Dam Safety Review of Fort Creek Dam (CRA, 2015).
1.3	Hydrologic Investigation	Replace paragraph by following: A detail hydrological analysis be carried out to estimate IDF and PDF for the Fort Creek Dam and downstream channel. There is no streamflow gauge (active or inactive) at the downstream/upstream site of the Dam. Only few manual water level observations available which were recorded from a marked gauge at the hexagonal spillway.

1.4	Project Budget	<p>Replace paragraph by following: The successful consultant will carry out the work within the approved RFP budget. The SSMRCA has fixed funds for this study. There will not be any increase in project costs and timeline after study awarded to successful consultant.</p>
2.9	Proposal Submission	<p>Replace “Emailed proposals will not be accepted” by following: SSMRCA will allow emailed proposals now, but they must be into us by 4 pm on August 20, 2021, or they will not be considered. RFP can be submitted by email, digital or in a hard copy format. Email submission address: Attention: Corrina Barrett (cbarrett@ssmrca.ca)</p>
